Dear Salon Owner and/or Manager,

Thank you for giving our student an opportunity to do their practicum in your salon.

The purpose of the practicum (maximum 40 hours) is to allow the student to experience hands-on application of their training in a real salon setting. We encourage you as their coach/mentor to enroll the student in becoming as active and as involved in all processes of daily activities. Some suggestions we offer is job shadowing one stylist per day, retail knowledge training, client relations and general salon support such as; shampoo, dispensary duties, reception etc. The objective is to present the student with many diverse aspects required to succeed in this industry.

Regarding the practicum evaluation sheet, we recommend your evaluation to be as honest as possible in order to support continued enhancement of the student training.

Thank you for your participation as partners in developing the best in our trade.

Sincerely,

Mrs. Rammy Hans Director of Operations beauty@interioracademy.com
